Baseball Match and Dance Tuesday Next

Baseball is now the topic of the day and since organizing last week Pres. Jack Walls and Mgr. Frank Scott have been busy with requests for games from outside points. Friday Gleichen gives the return match at Bassano and on Tuesday Standard plays here, while Strathmore, Calgary and other places are clamoring for dates. Already there is talk of a two-day tournament. The game with Standard starts at 6 p.m. next Tuesday and is to be followed by a dance. Look for posters.

A Real Comedy at Queenstown

"The Rector" at Milo Hall Friday, June 25th.

An interesting entertainment is being planned by the Women's Institute of Queenstown for Friday evening, June 25th, at the U.P.A. hall at Milo. A comedy of one act "The Rector", will be of chief interest. This little play portrays the troubles of a young and unmarried rector living in a small town with a score of untutored females. A carpet committee composed of these interesting characters is amusing comic. A musical program will follow and close with a melody of American patriotic and war songs. The national song of each country are being used to turn and create considerable interest. Lucile Sam and Miss Canada will assist in the choros. Following the program coffee will be served in the basement. Ladies are requested to bring boxes with supper for two and their own music. These boxes will not be auctioned off but will be sold at a flat rate of one dollar each. After supper the Queenstown orchestra will furnish the music for all inclined to trip the light fantastic. A good time is expected for every one.

The grading of our streets goes steadily on and the town looks better for it, but, oh, the dust. If the holes are next filled it will be a joy for ever.

Every citizen in this district really should hold a membership ticket of the Gleichen District Agricultural Association. For every member the Provincial Government pays the Association \$1.

The grasshopper trouble is coming further north, and is now said to have reached to Roy M. Allen's and Clyde Fair's farms, where are fighting the hoppers. Every wise farmer will go out to meet this kind of trouble and help his neighbor.

Our friend Ex-Governor Leely is to speak at the Arrowwood school Friday, June 24. Last time he was here he read "The Call", talked of banks and had other pleasant thoughts, and a day or two later was caught in a blinding political snowstorm. Hope no calamity befalls our good friend this visit.

An exports make the chief factor in paying our war bill farmers will be glad that Canadian exports of wheat to Great Britain between 1913 and 1918 made a world record. They increased sixteen-fold. The link between the farmer and world market, beyond dispute, is the large scale packing house.

Subscribe for the Call.

Sports Day Enjoyed and Financially a Good Success

The "Sports Day" celebration held in Gleichen last Thursday proved to be all that it was advertised—and more, extra events being added for the few that were not filled.

The weather was ideal, the crowd more than anticipated for a busy season, no delays, good feeling, keen interest in each event, \$283.82 for the Agricultural Association, and only one dispute and that over starting a horse race.

The program opened with the children's sports and number after number was run off in quick succession until the more difficult events were reached, when Indian and pony races were interspersed to give the boys a respite. Then followed some horse races that brought out all the old-time spirit of the crowd that cheered and howled as in days of yore.

To follow each event descriptively is impossible in our limited space, but no doubt the appended list of prize-winners will be of interest:

One mile open, 1st Jas. Young and 2nd Three Sons
Half-mile open, J. H. Riley and C. F. Boes
Half-mile Indian, Donald McFoster and Sitting Eagle
One-mile Indian, ——— and Mathey
Quarter-mile boys pony, D. Yang and N. McMillan
Half-mile boys pony, N. McMillan and J. D. Young
Half-mile girls pony, J. H. Riley and K. McPhee
Quarter-mile Shetland pony, Pat. Beach and J. Young
Cowhorse turning, D. Brown and B. Payne
Girls saddle race, Miss Brown and Miss Woods
Saddle race, C. C. Lyon, 2nd W. McKay and 3rd R. Brown
Three-legged race, D. Lyon H. Brown and A. McKay-J. Wilson
100 Yard boys dash, Bert James, C. Lyon and H. Allen
Skipling contest, Annabel Stuart and Ella Sanders
Bicycle race, Bert James, C. Lyon and W. McKay
Halter race, ——— and ———
Relay race boys, James team
Potato race, C. Wool, D. Lyon and H. Beach
Girls under 10 years, E. Wool, M. Wilson and E. St. Jean
Boys under 10 years, E. Dan-L, B. Taylor and R. McMillan
Pole vaulting, Bert James, A. Wilson and C. Lyon
High jump, M. Daniels, R. Brown and D. Lyon.

In the evening there was a good baseball match between Bassano and Gleichen teams, and although the local boys had no hope of winning they put up a good game and held their visitors down to a score of 8-4 in favor of the latter. Following this a good crowd attended the moving pictures in the Opera House, after which dancing was indulged in until the small hours of the next morning.

There is no little credit due the Gleichen Band and Orchestra in helping make the day pass pleasantly and the dance the enjoyable affair it proved.

Frank Donnelly arrived about noon with his airplane and finding it impossible to light near the Fair grounds landed west of town from where he took a few passengers on long flight, during which many good views were obtained of the airplane by spectators on the Fair grounds.

A Public Institute Meeting Thursday Night

To-morrow—Thursday—evening at 8 o'clock Mrs. Rogers, secretary of the Alberta Women's Institute, is to speak on the subject, "Making Your Dollars Work Harder", in the G.W.A. hall. A good musical program will also be provided and every person is invited. No admission will be charged.

Queenstown Picnic July 9th

The main feature of the Queenstown picnic on July 9 will be an automobile parade. Arrangements have not all been perfected yet, but the idea is to form a line on the race track at the picnic grounds right after dinner, about 1 o'clock. The parade will be headed by a car containing the U.F.A. officials and officers of the Co-operative Association, next officers of the U.F.W.A., followed by a float of the Girls Club. The returned veterans, old settlers and the Indians are to be invited to appear on horseback in war paint. The Cluny and Gleichen business men are to be invited to take part. There will likely be several floats and music, and everybody will have the time of their life.

ARROWOOD NEWS

For collective buying their binder were the Arrowood U. F. A. local will save \$300.

The Bow Valley church S.S. is to have their annual picnic soon. What date do you prefer it?

T. S. Board of Bristol, England has returned from a visit and will resume his duties at the Jones Ranch.

Government range rider, Jim Ryan is in High River in a hospital on account of a broken leg which he obtained while on duty last week.

Have you seen F. W. Leeson's swing which he made for his children? This swing cost Mr. Leeson a little time but isn't it worth while to make life a little brighter for the kiddies?

The moving picture machine which the U.F.A. is to purchase cannot be obtained for two months. There is such a demand for them the University of Alberta cannot catch up with the orders until then.

Mrs. G. T. Jones is now visiting with friends and relatives in north west Missouri. She was called there on account of the critical condition of her aged father but we are glad to report that he was found by her much improved.

How would you enjoy being an usher in church? Some think if you take them to the front and we know of one individual who feels slighted because of being seated on the back seat. "Keep smiling, ushers".

A beginners class is to be started in the school July 1st. Since it is impossible for a beginner to grasp the work if the first six weeks is missed a special effort should be made to get the child started promptly. There will be twenty beginners.

The effort to improve the grade has so far proved fruitless but we will not let it stop at that. Neither the municipality, provincial nor Dominion governments will claim the lower part of the grade as their duty to fix. We do not blame them for being reluctant to admit owning such an excuse for a road.

The community is to be congratulated that they are so fortunate as to secure a man of such renowned influence to lecture to them as J. W. Leely former governor of Kansas. Mr. Leely has been farming in Northern Alberta for several years and is a naturalized Canadian. On the evening of June 24th anyone will have to be in the hall of the Arrowood Consolidated School early if they expect a seat.

COMING EVENTS

June 17—Mrs. Rogers speaks at Women's Institute.

June 24—Ex-Governor Leely lectures at the Arrowood Consolidated school.

June 26—Queenstown Women's Institute concert.

June 30 to July 3—Calgary Exhibition.

July 1—Dance in the Pavilion at Cluny.

July 9—The Queenstown Farmers annual picnic.

Aug. 12 and 13—Gleichen Agricultural Fair.

Aug. 19—Imperial Press Association visit to Gleichen.

Oct. 8—Gleichen District School Fair.

WEDNESDAY, JUNE 16, 1915

And now the Queenstown farmers say they are following the example of the workers in the towns and cities and have declared a half-holiday for Saturdays during the summer months. When will the business people get wise and take a little rest.

If there is one thing more than another to be admired in the successful sports of last Thursday it is that once the program started it was kept going. There were no long waits between events that too often spoil a good program and exasperates the crowd. It was also no little satisfaction to the committee to make it a financial success and have, it is claimed, more to turn in to the Agricultural Association than any day's sports in the Association's history—at a time when the Association needs it.

The next big Gleichen event will be the Eleventh Annual Gleichen Exhibition and it is the aim to make it the best yet held. A number of special prizes have been added to the list published in The Call last week and all others who want to give specials must apply this week as the official prize list will be printed next week.

Missouri Farmers Coming

As many farmers from Missouri have already settled in the Gleichen district and proving a fine class of farmers, the following dispatch from Omaha, Neb., will be read with interest:

The great exodus of farmers out of the trans-Missouri country into Western Canada which was in full swing in 1914, and which was checked by the outbreak of the war, is again getting under way, according to a recent statement made by W. V. Bennett, who is in charge of the Canadian Government land office here. Mr. Bennett asserts that the cheapness of land offered in the Dominion is responsible for some of the best farmers and citizens of Nebraska leaving the state, and since the beginning of the year they have been crossing the international boundary in a steady stream. In short, Western Canada has reassumed its pre-war attractiveness to farmers from the Central Western States.

The Canadian Government's land office has been functioning in Omaha under the management of Mr. Bennett since 1898. In that year 16 farmers with 147 acre tracts migrated out of the Missouri valley and proceeded to Western Canada provided with round trip tickets by Mr. Bennett. Incidentally the return tickets were not used. Since then the stream of farmers has poured continually out of the Missouri valley into Western Canada until 1915, when the war soured a death knell to emigration from the United States to the Dominion.

According to Mr. Bennett's recent statement, in the first three months of 1915 almost as many settlers from the trans-Missouri country have gone to Canada as went in 1914, when 498 emigrants applied for certificates. The value of the goods taken by the contingent last year was \$1,055,000. During the first three months of this year 311 settlers applied for certificates at the Omaha office, and took with them to the Dominion \$1,094,030.

Mr. Bennett has kept an accurate account of the men and millions movement through the Canadian land office. In at least 50 per cent. more men and millions have gone from this territory in the last 24 years than passed through the Canadian land office, but no account is taken of this movement.

In the 24 years the Omaha office has been open, 41,458 settlers applied for certificates to Canada. The value of goods taken out of the United States by this number amounted to \$43,919,205. Practically none of these have come back to the United States, so far as can be ascertained.

The year 1912 was the big year in the movement westward to the West. Over 713 crossed the border through the Omaha office, taking with them \$1,569,260, which was practically the last movement until the resumption of emigration last year.

In explanation of the revival of emigration to Western Canada, Mr. Ben-

BUY AN IRRIGATED FARM

FROM THE CANADIAN PACIFIC RAILWAY

BECAUSE:

Irrigation makes the farmer independent of rainfall, and insures good crops, not occasionally, but every year.

Irrigation makes possible the cultivation of alfalfa, the king of fodder, which insures good returns in dairying and mixed farming.

Irrigation means intensive farming and close settlement, with all the advantages of a densely populated agricultural community.

Irrigation in the Canadian Pacific Railway irrigation block is no longer an experiment, the years that it has been tried having absolutely demonstrated its success wherever intelligently applied.

This is the most liberal offer of irrigated farm land on record. For full particulars apply to

ALLAN CAMERON, Gen. Supt. of Lands
Canadian Pacific Railway, Dept. of Natural Resources,
CALGARY, ALBERTA

You can buy irrigated land from the Canadian Pacific Railway at prices averaging \$50 an acre, with twenty years to pay and the privilege of a loan of \$2,000 for improvements; 6 per cent. interest; no principal after the first payment until the end of the fourth year; reduced interest if settlement conditions complied with, and no water rental for the first year. Contracts can be paid off before maturity if desired.

Indian Agent

"BUT HE AIN'T WENT YIT"

Every little while they tell us that the horse has got to go;
First the colic, 'n' then 'cause the horse went so slow,
And they told us that we'd better not keep raising 'em to more,
When the street cars got to motting that the horse pulled before,
I thought it was all over for old Pan and Doll and Iki,
'Sposed the horse was up and done for,
'That he ain't went yit!"

When the bike came first got started people told us right away,
You probably remember, that the horse had said his day;
People put away their buggies and went to work as usual,
There were lots and lots of horses didn't even start their meals,
And you'd think to see these chaps, as they go a-chaffin', it was goodbye to Mr. Dobble,
'That he ain't went yit!"

Then they got the horse's carriage, and they said the horse was done, And the story's been repeated twenty times by Edman,
Every time he gets another of his letters to go,
He comes whoopin' out to tell us that the horse don't stand a show,
And you'd think to see these chaps, as they go a-chaffin', it was goodbye to Mr. Dobble,
'That he ain't went yit!"

When the people got to dying in the air I s'pose they'll say,
A, we long have been saying, that the horse has had his day,
A d I s'pose that some old fellow just about like me'll stand,
Where it's safe, and watch the horse's haunts! stuff around the land;
And he'll maybe think as I do, while the crowd above him fill,
'Oh, they say the horse is done for,
'That he ain't went yit!"

365 Days a Year Service

All motorists, especially those who use their cars for business purposes, must have steady service. They soon learn that correct lubrication is vitally important to uninterrupted service and that Imperial Polarine gives adequate thorough lubrication.

Imperial Polarine keeps the engine running smoothly and quietly by establishing and maintaining a perfect piston-to-cylinder seal, which holds all the power of the fuel charge behind the piston.

Imperial Polarine thoroughly lubricates and cushions every rubbing surface with a wear-resisting oil film. When used exclusively breakdowns are infrequent, depreciation is low, fuel costs reduced.

One of the three grades described below is specially suited to your motor. Look for the Imperial Polarine Chart of Recommendations where you buy your oil and learn which grade to use.

Imperial Polarine is sold in one and four-gallon sealed cans, steel 12 1/2-gallon kegs, steel half-barrels and barrels, by dealers everywhere.

Local and District News

Now get after the weeds.

Bates & Gibson have just received a consignment of new Light Overland cuts, Model 4.

Mrs. I. Stinson of Carleton Place spent several days last week visiting Mrs. D. McLeod.

Dr. Farquharson has purchased Dr. Rose's residence and moved in Tuesday.

Get your ad. ready for the Gleichen exhibition prize list at once or you will miss a good opportunity.

Finest kind of growing weather the past week. A good shower of rain would help now, but no crop is suffering yet.

Geo. W. Evans, wife and family returned Sunday from Toronto. He says the best crops he saw was as he returned Gleichen.

T. H. Beach and A. R. Yates left Monday for Portland, Oregon, to attend a Grand Lodge meeting of Shriners. The latter was accompanied by his wife.

There is a wonderful crop of weeds show in town. What will the weed inspector do to us when he officially strikes town?

Of course, those weeds came over from the neighbors, but don't pass them on—kill them now.

Dr. Rose's auction sale proved a success. He is now physician on board a C.P.R. steamship between Montreal and Liverpool. Mrs. Rose and family are leaving for Vancouver to visit.

Yes, Gleichen now has a world-wide reputation, even though some of us do not favor the Hun flavor. The other day a letter arrived here sadly from England with only this address on the envelope: "Peter Kelly, Esq., Gleichen, P.O. Box."

J. A. MacDonald of Leader, Sask., took in the sports Thursday and met many friends here. "Mack" can always be depended upon to show up when there is any celebration in the old town, and we all like to see him smile.

The Queenstown farmers' annual picnic will be held on Friday, July 31st, at the same place on the north side of the river as last year. Among new features will be an automobile parade and music at the grounds. Then the usual games and sports will take place. In the evening the picnickers will adjourn to the Nile Hall for a dance.

Clean up Your Weeds
